

Welcome To

**Middleton &  
Meads Co.**

---

**Bus & Truck Service Since 1917**

A family owned and

**operated company since 1917**

# Who We Are

Middleton and Meads is a 100 year old family owned business based in Baltimore, MD. We specialize in total truck repair, handling frame repair, complete suspension and drive train repair, as well as collision work. As a debt free company with a broad, well established customer base, we are poised for significant growth. With 50+ employees, our culture is driven around a team atmosphere. We pride ourselves in providing top quality work, and being flexible to exceed our customer's expectations.
